Full week	5	£ 227.00

**Accompanying staff are free up to the ratio required by Norfolk County Council's educational visits policy, together with any additional staff required to support individual pupil needs.**

#### **Minimum Fees:**

On receipt of a residential course booking form a minimum fee will be set, based on 90% of the number of pupil places booked.

#### **Other Costs:**

##### **Offsite Visits**

Each group of up to 30 students has one offsite visit included in the price per half week.

If additional offsite visits are required and the group doesn't have minibuses available then an additional cost of £60 per half day will be charged.

If the visiting group has approved minibuses available then the additional cost will be £30 per half day.

If the visiting group has their own minibus and driver available then the cost would be £15 per half day.

#### **Activities provided by other providers**

If the visiting group would like to use other activity providers during their stay then we ask that the school makes all arrangements directly with the provider, including payments.
