

Risk Assessment

Holt Hall Field Study Centre

Green Man

Location

Holt Hall

Risks

The following risks are applicable to anyone taking part in this activity.

- Cuts, scratches and splinters
- Allergic reaction to nuts.
- Poisoning by plants.

Control Measures

- Young people must listen to and follow all instructions and handle materials and equipment carefully
- Holt Hall staff must check nominal roll for any allergies and make necessary arrangements with young people and visiting staff.
- Young people may not eat anything during this lesson.
- All young people should wash their hands with soap at the end of this lesson.
- Young people should not use yew on their Green Man as it is poisonous. They should also be advised that if they have very young children at home who may chew their Green Man, they should not use ivy or rhododendron as they are also poisonous.
