

Risk Assessment

Holt Hall Field Study Centre

Human Habitats

Location

Holt, Cley or Cromer

Risks

The following risks are applicable to anyone taking part in this activity.

- Traffic accident
- Minibus travel

Control Measures

Traffic accident

- Ensure appropriate staff:student ratios. In Holt and Cley groups should consist of no more than 15 young people.
- Ensure group leaders are aware of their roles and responsibilities.
- Young people should walk in single file where there are no pavements or pavements are narrow
- All road crossings must be closely supervised and well organised. Visiting staff must be well briefed on their role when crossing roads. This may need to be discussed in advance. Visiting schools may have their own methods with which the young people are familiar.

Minibus travel

- See general risk assessment
